

## Mildura Blue Light - Funding Application Form

The Blue Light program is early intervention through social crime prevention and has assisted in developing our young people into responsible community citizens. The program provides an opportunity for Police, adult community members and young people to meet together regularly. Blue Light encourages communication and the development of meaningful relationships built on trust and mutual respect.

### Mildura Blue Light strives....

- To provide safe, healthy, supervised activities for young people in an environment, which excludes drugs, alcohol consumption, and anti-social behaviour.
- To develop and encourage better communication and relationships between young people, police and community members.
- To prevent the incidence of crime involving young people and encourage responsible citizenship.
- To ensure funds raised are used by persons or organisations within the Mildura community for the benefit of young people.

### 1. CRITERIA FOR FUNDING:

- Alignment with the objectives of the Blue Light
- Be of direct benefit to young people aged 10 to 14 year olds
- Offers value for money
- Project that is sustainable beyond the initial funding.
- Blue Light will be promoted, in a positive manner
- Adhere to funding requirements and completed evaluation
